Sir

With reference to your letter dated 30th ult. intimating that the two accounts furnished you by Mr Rutledge & Co. of Belfast for rations of provisions and forage supplied to me from 1st January to 31st March last exceed the authorised rates of Mr Sullok the Contractor for the County of Normanby by £4.13.9; I have the honor to state that I was totally unaware of Mr Sullok being the Contractor, or that any change had taken place from the past year, however immediately on receipt of your letter I handed it to Mr Hoddle who acknowledges the difficulty of compelling Contractors

We have the honor to acknowledge the receipt of your communication of 30th ult to with its enclosures and in reply to say that we were not aware of any party having contracted to supply the survey department in this neighbourhood, from the period named, any more than formerly, neither do we believe was Mr Pickering. As such is the case however, we are willing to receive his prices, and to continue the supplies on the same terms during the period of his contract, and under the circumstances we trust that his Honor the Superintendent will have
