Sir

I beg leave to return to your Honor the enclosed letter from the Honorary Secretary, on behalf of the Church Committee of the Episcopal Church at Geelong, wherein they apply "for further issue from the Colonial Treasury in aid of that Building &c", and in accordance with the minute of instructions on the same:

I do myself the honor to report, that I have compared the original documents with the copies of the Vouchers enclosed in the above letter and find them to be correct documents: that I have inspected the Specification and plans of the Church and find the latter portion of such work has been performed as set forth therein, with the exception of the lead work which has been inefficiently performed: that certain other works have been performed as set forth in the enclosed Vouchers for which no specification was provided, and which have been performed in an inferior manner; and that the value of the entire of the works, as shewn on the Vouchers, I estimate at Five hundred and twenty two Pounds, one Shilling, and five pence Sterling; which amount allows, for no more than the value of the inferior workmanship
