Robert Ross

Roll No.	Classification.	Authority.	Remarks.
2022 (Night)	M.O.60	79/340	N.S. of Night School from 1st January 1879.
	Holland 4	679/21457 H.	Does not seem to possess sufficient teaching or organizing capacity to conduct so large a night school - his discipline is bad, and his command over his pupils weak + ineffective -
	5525 7	81/36109 H.	Holland. - Does fairly well in a small school of 30 but is completely helpless in a school of larger size - Cannot keep his attention long enough to secure Class - His discipline + control of large numbers is lamentably deficient -
			After a second visit to this school + after careful consideration of the subject I have come to the conclusion that Mr Ross should either be removed, or informed that he must reduce the size of the school by expelling the worst pupils, or the school should be closed altogether. -
			Mr Ross informed (S 81/24557 M.O. 10076) that under the circumstances disclosed in the Report it is considered advisable to close the school from the end of ensuing month (ie Sept. 81.) or earlier should Mr Ross wish to resign before that date. -
		81/39304	Mr Ross remarks upon D.I.'s report. + appeals to the Hon. the Minister. -
			He informed that the remarks in no way justify the lax discipline + that Dept has resolved to adhere to decision expressed in letter S 81/24557. + that no payment can be made for any period subsequent to date mentioned ie 30th Sept 81. -
			Appl by M.O. 10180. -
13 4 86	13567 H 2 N.	Holland -	Doing fairly. shows decided improvement
11 5 89	18702 H 2 N.		Ably + favourable report appears to have had good effect. Mr Ross has been steadily working hard + with very fair results He is however inexperienced. In State School teaching not methodical, + a poor disciplinarian. -
