754		11 5 08 H. Davey	:- Has improved somewhat: his work (teaching & discipline) now attains the very good standard. This is maintained at the examⁿ. He is taking a satisfactory interest in his class (VI.) which he teaches generally on approved methods & in accordance with the spirit of the programme. 86. Very good.
		20 8 08 H. "	:- Is steadily improving. His 6th class passed very well. He is teaching the programme intelligently & successfully. His management is also very good. 87. V.G.

		6 5 10 H.	Has done very good work with Class VI, which has passed creditably. His management is tactful, and his teaching energetic and sustained, and successful. A very good disciplinarian. 85. V.G.

		26 5 11 H. [illegible]	A very good teacher, diligent & careful. He uses good methods on the whole, though in one or two subjects better results might be achieved. Teaches the VI class with good success. A good disciplinarian, loyally assists the H.T. in maintaining a good tone throughout the school. 87 V.G.
		4 8 11 H. "	:- A very good teacher. He is methodical and painstaking. Uses on the whole good methods, and does good work with class VI. His methods of teaching dictation, comprehension & arithmetic are capable of improvement. Is a very good disciplinarian and loyally assists the H.T. in carrying on the work of the school. 86. Very good.
		21 5 12 H.	A very good teacher. He is a capable class teacher, uses good methods & gets fair [illegible] from his pupils who are making on the whole very good progress. Under the H.T. loyal assistance is [illegible] given the school work. 88.

		14 3 13 H. Armitage	In charge of supplementary grades. He organises very well. Keeps very firm discipline & teaches effectively. V. good tr. 88.
		3 10 13 H. Akeroyd	A good teacher [illegible]. His grades have passed a good exam. His teaching is somewhat lacking in force & [illegible]. Only a good disciplinarian. 83
		3 11 14 H.	A good teacher, hardworking & conscientious. Uses very good methods but the pace is somewhat slow. Does not secure the complete attention of his class. 82.
		26 11 14 H.	A good teacher. During the year his teaching has lacked vigor, care & thoroughness, and as a result only 8 per cent of his pupils succeeded in passing the 8th grade. It appears a difficult matter for him to hold the attention of his class, and his influence upon pupils generally is not good. 75. Comment by I. I.: To me he has admitted that the result is due to loss of power – the result of long continued over-indulgence in alcoholic liquors. Outside of his own admissions there is no evidence against him.
		21 2 15 H.	A good teacher. During the past few months an improvement has taken place in his work; but he does not yet take his proper share of responsibility in the school and his control over pupils is still not of the best. He presents his class lessons with considerable vigor and in logical form, but often fails to make them sufficiently definite. 79.
	V. 1. 83	28 6 15 In Roll	
		13 8 15 H. Akeroyd	A good teacher on the whole. The improvement noted in the previous report has not been maintained. His control over his grades is so poor that pupils are constantly acting in a dishonest manner. In some respects. Roll No.	Classification.	Authority.				Remarks.
1799		4	3	10	H. Harley	Although she is not so particular about some of the details as is necessary still the general management of her school is good. She has good teaching powers, but, owing to ill health has hardly given that time to the preparation of work that is desirable. Her school is making satisfactory progress. 78. Good
		27	4	11	H. "	Organization, good in the main. She is not as particular about the details of management as one would like but she contrives to keep her pupils fairly well occupied & to supervise their work in a satisfactory manner. She is a good teacher and in general employs good methods. 79 Good
		4	8	11	H. Hard.	Is lady like but determined in manner, and is showing interest in her school work. Manages properly, and is a good teacher, though her methods & conduct of school work are somewhat mechanical. Controls easily & maintains good tone. 82
	6. 1. 5	6	2	12	Act 2330	
		22	2	12	H. "	Earnest & interested in her work, watchful in management, decisive in her teaching and using good methods. She is a good teacher, securing very good tone & controlling well. 8

124		.	.	12	14124	Appt'd H. T. from 19 October 1912.
		6	3	13	H. Rowe	Is a good teacher, energetic & earnest, sympathetic & ladylike & in close touch with pupils whom she trains to be alert, responsive & obedient. Her methods are good & her teaching careful, clear & definite, but, in some subjects needs to be supported by a freer use of concrete aids, and by more questioning calculated to arouse thought effort. Equipment is fairly good. School & grounds are in good order. 79
		15	7	13	H. "	Is a good teacher and has done good work on the whole. She is very earnest & conscientious, and is showing a desire to become acquainted with approved methods. Her methods are good, but need more practical illustration to make them fully effective. She exercises a good influence on pupils and secures neat work and very good order. 78
		6	2	14	H. "	Is a good teacher. She is vigorous, careful & capable, exercises very good control and good supervision. Methods are good on the whole and [illegible] practical illustration, yet there is room for more. The rather limited amount of preparation and very recent arrival of school material showed that work for the year had not yet got into full swing. Good progress has been made with some subjects. 78
		28	7	14	H. "	Is a good teacher. She has worked strenuously & effectively since last visit as shown by the progress made by pupils more especially in junior dept. Methods are from good to very good and preparation is fairly good. Her health has not been good owing partly to strain of managing this large one-teacher school. Discipline & tone were very good. School and grounds are in a tidy state. 82

		2	2	15	H. Stephenson	A good teacher. Only a short time in charge after a long spell of sick leave. Some details under organization are not yet attended to. Under normal conditions she should be a capable manager and a class teacher of average skill & ability. 78
	6. 1. 5	28	6	15	In. Roll.	
		13	10	15	H. Stephenson	A good teacher—not strong physically. School surroundings and matters under organization receive good attention. Displays a fair amount of skill in teaching. Requires to put forth more persistent effort with the dull pupils. 79
