This mans case has been dealt with
respectiv of this previous sentence from
which he was dischd to the ar on 12.8.69
it having been taken that the word
"cumulative" applied only to the 2 yrs sentence
which prisoner received a few days previously
If however the word in the record are
accumulative on any sentence the
prisoner may now be undergoing
the 6 years should then I think be reckoned
as cumulative on the previous sentences of
which there were nearly 14 years
unexpired - If this be so prisoners time
to serve would be 9 yrs & 7 mths -
thus full term would expire 30 April 1879
