15 3 89 11341 H. Rix. Appeared to be a willing industrious teacher of but fair ability.

1 10 90 52004 H — " — A poor teacher and disciplinarian, with little organizing ability. His unreliable and feeble health stand in the way of his improvement. He is anxious to do well but has not energy enough to get out of well worn grooves.

16 2 92 64304 H. — " — A weak teacher made weaker by failure of health (50)

14 3 92 121794 H — " — A weak teacher who shows very little skill as a manager. I cannot believe he was ever anything but a poor teacher. His ill health has no doubt a good deal to do with his want of energy but his unfitness for a school of this size preceded that. He is not negligent, only wants ability to make pupils work ~~more diligently~~ & learn briskly 45

10 9 93 36650 H2 McOnane Shows poor ability both as a teacher and manager. N.E.

Swindley 18 11 75 37385 H. Does not display a due amount of energy and earnestness in the management of his school. Organization rather weak. Instruction only moderately good, in fact rather inferior. The methods employed are in some instances unsuitable and the value of the instruction is in all cases considerably diminished by defective discipline. Talking and lounging observed in one or other class almost throughout the morning. Sufficient attention is not paid to the neatness and cleanliness of the scholars.

Philp 5 4 78 12296 H. Not an efficient teacher, but on the whole conducts his school very fairly.

Curlewis 28 4 79 15359 H. Has fair teaching power, a fair Manager & disciplinarian; manner good.
