Paintstaking and Careful.  
Holland & 7473859H. Paintstaking, but his effectiveness is much  
impeded by eccentricity and by a rambling and rather  
unconnected manner of speech, organization somewhat  
improved since last inspection - I. I. Very fairly suitable

instruction as good as can be expected in so small a  
school - programme fairly adhered to - the children  
are well behaved and orderly.

| V. 2. 59 | 11 5 09        | H. Ware      | Not steady & quickly into a new assignment. Active to keep those divisions in profitable employment. Her supervision not effective. |          | 3 3 11         | H. Ware      | Instruction is careful, but is not helpful in directing the work of poor divisions. Her class lessons are good, but she is not a keen supervisor. Organization of class discipline good. In general, a good teacher & manager. Has thought & managed the best of second classes with considerable success. She is energetic, industrious, business like & is interested in her work. 81. Good. |
