SUPPOSED SUICIDE AT BRIGHTON.

On 18th February it was reported to the police that Mr. P. C. M'Namee, aged 40, unmarried, a clerk in the Treasury, accounts branch, who resided at 36 Clarendon-street, East Melbourne, was missing. He had left home, as he said, to go to the office, but never arrived there. Yesterday morning, about 11 a.m., a boy named John M'Callum found a dead body off Middle Brighton pier, which tallied with M'Namee's description, and shortly prior to the discovery of the corpse George Holland, a man, found on the pier a silver watch, engraved with M'Namee's name; a black hat, a copy of "The Age" of yesterday, a sovereign, threepence in coppers and a pair of gold rimmed spectacles. Constable Judd took charge of the body and the articles mentioned, and brought them to the Morgue. There the corpse was identified by two clerks from the Treasury as M'Namee's remains. He had been recently promoted from the fifth to the fourth class. The deceased had lately complained of illness and insomnia.

Roll No.	Classification.	Authority.				Remarks.
3131		15	9	04	H. McEwan	:- Appears to be desirous of doing his best. While he is very fairly effective in much of his teaching, several weaknesses have been revealed in the instruction, which generally requires greater attention in matter of detail. 73 Good.
		9	3	05	H. — " —	:- Is doing good useful work. Improvement in the quality of instruction in some directions is noted. Supervision of a very fairly comprehensive character. Discipline & tone generally very good. 75 Good.
		21	9	05	H — " —	:- Painstaking, active and of very fair teaching skill - takes interest in his school which has not done as well as usual, owing largely to high classification in some instances & to the prevalence of sickness. 72 Good.
	V. 2. 76	30	6	06	Tr. Roll.	
		3	8	06	H. Rowe	:- Is very energetic, teaches with clearness and force but adopts too loud a tone. Methods good, but would arouse effort of thought more if he told less - Should visit other classes more frequently. Control good. 78. Good
		11	3	07	H. "	:- Is an active careful teacher of good ability, exercises good control and supervision but needs to devote more time in each class to introductory lessons & to arouse more thought effort in pupils. 77. Good
		18	5	08	H. " "	:- Is attentive to duty, & teaches with ability, shows careful preparation but has worked under adverse circumstances. His health is now good. Organization good; discipline good. Under the circumstances former numerical estimate is retained. 77. Good
		19	11	08	H. "	:- Is a vigorous capable teacher. He illustrates some lessons well, but in others he does not always bring in the concrete aid where it would be helpful although from the abstract point of view his presentation of matter is good; needs to train monitors in methods. Discipline & tone are very good on the whole. Interior of school has been improved in appearance. 80 G.
	V. 2. 42	30	6	09	Tr. Roll	
		24	9	09	H. "	His health has improved. He has done very good work with Class VI. Much improvement is noticeable in many of the subjects and a more earnest attitude is shown by the pupils. Organization, discipline and tone are very good. 84 Good.

		18	11	10	H. Cavanagh	Has plenty of energy & rousing power, the methods employed are good, is doing much to rouse & train his pupils, is getting better response from them in a more pleasant tone. 81 G.
		10	11	11	H. "	A very good teacher. Works with great industry, uses very good methods of teaching, has much force & rousing power, is trying very hard to interest & stimulate his pupils to put earnest continuous effort to their lessons.
		24	11	11	H. "	A very good teacher. A strong energetic teacher, bringing out well the main points of his lessons, shows originality, teaches lessons properly, keeps classes busily working, is apt to disturb pupils by commenting too freely on errors, tells a little too much. 85 V.G.

		21	11	12	H. Betheras	He keeps very good discipline. He gives fairly good attention to the demands of the regulations. He has good teaching skill, but he does not get enough real determined progressive work from the scholars. He is a fair tchr.
		5	6	13	H. Park	Is a very vigorous teacher. Keeps his school actively at work & no doubt will secure good progress; but his style is too hurried to effectively train the thinking powers of his pupils. Besides, his plans do not provide sufficiently for mental training. Is a good teacher. 80
		18	11	13	H. "	Has worked hard but not successfully. The teacher's methods have been good, but have lacked somewhat in definiteness & thoroughness. The weak state of the school for years past accounts largely for failure this year. Is a good teacher. 78
		23	4	14	H. "	Shows much attention to his school. The school had fallen backwards before Mr Lloyd's arrival. Improvement is most noticeable especially in lower grades. The teacher works hard, but not with sufficient system and some of his energy is wasted. He teaches fairly soundly but is not a good questioner. Is a good tchr. 81.
		5	11	14	H. Burgess	I was not favorably impressed by the management & teaching of this school. The classes passed only a fair exam. The H.T. does not teach with care and thoroughness, and he is not earnest & zealous in his work. A fair teacher. 65.
