A pencil sketch of a stylized figure, possibly a person or a deity, drawn on lined paper. The figure is oriented vertically, facing right. It features a large, circular head with a small, dark, circular mark in the center. The body is elongated and composed of several thick, dark, curved lines. The figure's arms are raised, with one arm ending in a large, open hand and the other in a closed fist. The legs are also thick and curved, ending in circular feet. The sketch is done in a loose, expressive style with varying line weights. The background consists of the horizontal lines of the lined paper.
