Sir,

We have the Honor to inform you, that in consequence of directions received from you, we this day proceeded on board the Emigration Ship, Westminster, from London & Plymouth, direct, last to this Colony with Immigrants by Mr John Marshall of London, in pursuance of authority conveyed to him by the Hon.ble the Colonial Secretary, bearing date the 1st & 8th of December 1838.

And we certify, that the parties enumerated in the margin, whose names, ages, & description, & the amount of Bounty payable for each, as inserted in the accompanying list, & who arrived here on the 13th inst.t have been examined by us — They have all produced the certificates of character, &c. as required by us, & from a careful perusal of which, as well as from personal observation, we have reason to believe they are of the trades, & age, they describe themselves; & are therefore of Opinion, that Mr John Marshall is entitled to receive the am.t of £2592 Two thousand five hundred & ninety two Pounds. We have also to state for your Honors information, that the Immigrants in question have reached this Colony in a very healthy state, & they state themselves to be perfectly satisfied with their treatment during the voyage — We herewith also inclose a list of Twenty two individuals, who proceed by the Ship to Sydney, whom we likewise inspected, & are of opinion they are of the character, ages, & time of

30 families consisting of 73. Souls —
43 Single males &
41. single females.
