Melbourne July 18th 1840

Sir

We have the honor to inform you, that conformably with the directions received from you, we proceeded on board the Emigration ship Andromache on the 27th ult. from London & Plymouth, sent to this Colony with Immigrants by Mr. John Marshall of London in pursuance of Authority conveyed to him by the Honorable the Colonial Secretary bearing date the 5th & 8th of December 1838.

And we Certify that the parties enumerated in the margin whose names, ages and descriptions, & the amount of bounty payable for each, as inserted in the accompanying list & who arrived here on the 27th ult. have been examined by us

They have all produced the Certificates of character required by us, & from a careful perusal of the same, as well as from personal observation, we have reason to believe they are of the trades, ages, & they describe themselves, & are thereupon of opinion that Mr. John Marshall is entitled to receive the Amount of Three thousand & seventy one Pounds £3071

We have also to state for your Honors information, that the Immigrants in question, have reached this Colony in a very healthy state, & express themselves to be perfectly satisfied with the treatment they experienced during the voyage — We also send you a list of the Immigrants by the Andromache who proved to be dead in that Ship

We have the honor to be
Sir
your very Obt Servants
John Patterson
