Sir /

We have the honour to inform you, that conformably with the direction conveyed from you we proceeded on board the Emigration Ship Himalaya, on the 2nd inst. from London, & Plymouth, sent to this Colony with Emigrants by Mr. John Marshall of London, & beg to observe, that the usual authority from the Honble the Colonial Secretary for the introduction of said Emigrants into the Colony is not forthcoming here Mr. Marshall's Agents at this Port, Messrs Thomas & Enscoe, declare, nevertheless, that it has been duly forwarded to Messrs Walker & Mr. Marshall's Agents at Sydney —

And we certify, that the parties enumerated in the margin, whose names, ages, and descriptions, & the amount of Bounty payable for each as inserted in the accompanying list & who arrived here on the 30th of last month have been examined by us

They have all produced the certificates of character required by us, and from a careful perusal of the same, as well as from personal observation we have reason to believe they are of the trades, ages &c they describe themselves, & are therefore of opinion that Mr. John Marshall is entitled to the sum of Two Thousand eight hundred & Forty six Pounds £2846 in case they be introduced into the Colony by proper authority —

We have also to state, for your Honour's information that the Emigrants in question have reached this Colony in very healthy state, & express

Themselves to be perfectly satisfied with the treatment they experienced during the voyage—

I have the honour to be

Sir

We have the honour to inform you that in consequence of directions received from you we proceeded on board the Emigrant Ship Orient from London & Plymouth direct, bound to this Colony with Emigrants by Mr. John Marshall of London, the Authority from the Colonial Secretary for having so bound them has not been produced to us —

They have all produced the Certificates of character & required Lyes, & from a careful perusal of which as well as from personal observation we have reason to believe they are of the trades, & age they describe themselves. With the exception of the Twenty females a list of whom is here with sent, & whose conduct during the voyage, & Passage, has been most turbulent and improper, the behaviour of nine of these individuals against whose names an attrisk has been placed was more determinedly vicious than the other eleven & we consider them to be totally ineligible for the Bounty & have accordingly deducted it from the total which will entitle Mr. John Marshall to receive only the Sum of Three Thousand four Hundred & Sixty two pounds £3462=0=0 Sterling —

We have also to state for your Honours information that the Immigrants in question have reached the Colony in a very healthy state & state themselves to be perfectly satisfied with the treatment they received during the Voyage. We have the honour to be &c &c
