Sir

We have the honor to inform you, that conformably with the directions received from you, we proceeded on board the Emigration Brig "Osprey" on the 19th inst from Liverpool sent to this colony with emigrants by Messrs A B Smith & Co of Sydney & beg to observe that the usual authority from the Honble the Colonial Secretary for the introduction of said emigrants into the colony is deposited at Sydney as asserted by A B Smith Esq

And we certify that the parties enumerated in the margin thereof as to name, ages, and description & the amount of Bounty payable for each, are inserted in the accompanying list & the arrivals here on the 13th inst have been examined by us They have all produced the certificates of character &c required by us & from a careful perusal of which, as well as from personal observation we have every reason to believe they are of the trades & ages, they represent themselves to be & are therefore of opinion that Messrs A B Smith & Co are entitled to receive the amount of bounty stated by it viz Five hundred and Forty pounds Sterling. Melbourne January 21st 1841

Sir /

We have the honour to inform you, that in consequence of directions received from you, we proceeded on board the Immigrant ship Salsette, from Liverpool to Port Philipp, with Immigrants imported by Messrs Smith & Co. of Sydney, & Melbourne, and by to observe, that the usual Certificate for importing said Immigrants has not been produced to us.

And we certify, that the parties enumerated in the margin, their names, ages, & description, and the amount of Bounty for each, as inserted in the accompanying list, is correct. They arrived here on the 2nd of January & have produced the Certificates of their Surgeon Superintendent required of us, & from a careful perusal of the same, as well as from personal observation, we have reason to believe they are of the trades, ages &c they describe themselves

The Immigrants in question complained very generally of the quality of the provisions issued to them during the greater part of the voyage & of the inadequacy of the water put on board — An enquiry into these particulars has been instituted, & the result forwarded your Honour, We beg leave to decline giving any opinion as to whether the

QPCARD 101 v2

Melbourne January 29th 1841

Sir /

We have the honour to inform you, that conformably with the directions received from you, we proceeded on board the Immigration ships Pestonjee, on the 18th inst. from London, & Plymouth, into this Colony with Immigrants by Mr. John Marshall, of London; & beg to observe, that no authority has been produced here for their introduction –

And we certify that the parties enumerated in the margin, whose names, ages, & descriptions & the Amount of bounty payable for each, as inserted in the accompanying list, & who arrived here on the 15th inst. have been examined by us –

We have also perused the Certificates of character required by us; & from a careful perusal of the same, as well as from personal observation, we have reason to believe they are of the trades, ages, &c. they describe themselves –

We have also to state for your Honours information that the Immigrants in question have reached this Colony in a healthy state

We cannot omit reporting also, that several of the female Immigrants complained of the very harsh & ungentlemanly treatment they experienced from the Surgeon Superintendent during the voyage, & have this day transmit the declarations of two of them, viz Eleonor Martin, & Maria Chinchin
