Melbourne Feby 6th 1841

Sir

We have the honour to inform you, that in consequence of directions rec.d from you, we proceeded on board the Immigrant Ship Sir Charles Forbes, from Plymouth, and to this Colony by Mr John Marshall of London, with Immigrants, & beg to observe, that no authority for their introduction has been produced here -

And we certify, that the parties enumerated in the margin, whose names, ages, and descriptions, & the amount of bounty payable for each, as inserted in the accompanying list, & who arrived here on the 21st of January last have been examined by us -

They have all produced the certificates of character &c. as required by us; and from a careful perusal of the same, as well as from personal observation, we have reason to believe they are of the trades, ages, &c they describe themselves - & are therefore of opinion, that Mr John Marshall is entitled to receive the amount of Three thousand and sixty one Pounds, provided always, that they have been embarked on proper authority -

We beg also to state for your Honours information, that the Immigrants in question have reached this Colony in a very healthy state; & that they appear themselves perfectly satisfied with the treatment they experienced during the voyage.

We have the Honour to be,
Sir, your very Obedient Servants
John Patterson

Melbourne March 12th 1841

Sir,

We have the honour to inform you that conformably with directions we have from you we proceeded on board the Immigrant Ship Georgiana from Liverpool last to this Colony with Immigrants by the Ships Messrs A. B Smith & Co of Liverpool & Sydney, & beg to state that no authority for their introduction has been produced to us here -

And we Certify that the parties enumerated in the margin, whose names, ages, and description & the amount of Bounty payable for each as inserted in the accompanying list, & who arrived here on the 23d Feby - have been examined by us -

They have all produced the certificates of character &c required by us, and from a careful perusal of the same as well as from personal observation we have reason to believe they are of the trades calling & ages they describe themselves & are thereon of opinion that the importers Messrs A. B Smith & Co are entitled to receive the Sum of Two thousand seven hundred & eighty six Pounds provided always that they have been introduced into the Colony in pursuance of authority

We beg also to state that the Immigrants in question have reached the Colony in a healthy state, we consider it however our bounden duty to state for your Honours information that several of the Immigrants have made serious complaints of the harsh treatment they experienced at the hands of Mr George Stephenson the master & several of the Seamen during the voyage, as set forth in the accompanying declarations of the complainants

It appears the Surgeon Superintendent did remonstrate with Mr Stephenson concerning such

conduct but without any redress, the Master alleging that he was responsible for his own conduct on the high seas, nor did he or any of his Mates interfere with the Seamen to put a stop to the continued annoyances of certain of them. ~~Indeed~~ ——— Such treatment to Immigrants must prove highly prejudicial to the cause of Immigration, as all the complainants have said they would write home to their friends, & dissuade them from coming to this distant Colony, on acc^t of the ill-usage they would most likely, be subjected to, on board ship. We have the Honour to be,

Sir Your very obedient Servants.

John Pattinson.
