We have the Honour to inform you that according to your directions we proceeded on board the Immigrant Ship Neptune which arrived here from Plymouth on the 29th ult. with Immigrants sent to this Colony by Mr. John Marshall of London & beg to observe that the authority for their introduction has not been produced here —

And we Certify that the parties enumerated in the margin, whose names, ages, and description, & the amount of Bounty payable for each as inserted in the accompanying list have been examined by us.

They have all produced the Certificates of character required by us, & from a careful perusal of the same as well as from personal observation, we have reason to believe they are of the trades, ages, &c they describe themselves and are therefore of opinion that Mr. John Marshall is entitled to receive the Amount of Four thousand four hundred & Twenty seven Pounds £4427 : 0 : 0 —

We have also to state that the Immigrants in question have reached this Colony in a very healthy state, & express themselves to be perfectly satisfied with the treatment they experienced during the voyage.

Sir /

We have the honour to inform you that we proceeded on board the Immigrant ship the Argyle according to your directions which arrived from Liverpool on the 12th Inst. with Immigts. brought to the Colony by Messrs. A: B Smith & Co. of Sydney in pursuance of authority bearing date the 11th January 1840 –

And we Certify that the parties enumerated in the margin whose names ages & description & the Amt. of Bounty payable for each as inserted in the accompanying list have been examined by us –

They have all produced the Certificates of Character required by us and from a careful perusal of the same as well as from personal observation we have reason to believe they are of the trades ages & they describe themselves & are therefore of opinion that Messrs. A: B: Smith & Co. are entitled to the Sum of Three Thousand four hundred & ninety two Pounds £3492.

We have also to state for your Honour's information that the Immigrants in question have reached this Colony in a state of good health & express themselves satisfied with the treatment they experienced on board during the voyage

We have the Honour &c

Sir

Your very Obedient Servants

J: Patterson
