Sir

We beg to inform your Honor that in pursuance of your directions we proceeded on board the Immigrant Ship "Duchess of Northumberland Brought to the Colony by Mr. John Marshall & which sailed from Plymouth on the 25th of February & arrived at Port Philip on the 3. day of June 1841 – And we certify that the parties enumerated in the margin whose names ages & description with the amount of Bounty payable for each as inserted in the accompanying list have been examined by us

They have all produced the Certificates of character required by us and from a careful perusal of the same as well as from personal observation we have reason to believe they are of the trades ages &c. they describe and are therefore of opinion that Mr. John Marshall is entitled to receive the sum of Three thousand four Hundred & Seventy eight Pounds £3478 Sterling – the sum remaining after having deducted £513 for an excess of 27 single men over the number of single females –

The Immigrants in question have reached the Colony in very good health & express themselves satisfied with the treatment they experienced during the voyage –
