| 11.2.19 | Inspt of Fisheries | Yesterday the 5 <sup>th</sup> inst a box containing 27 Crayfish was received at the Fishmarket Melbourne from the Railway Dept. No labels were attached. Inquiries revealed the fact that the box was sent by Jackson, Port Fairy to a person named Murray. All the Crayfish were dead + very small. They were therefore seized. I shall be glad if you will make discreet inquiry of Jackson, the Fishermen's agent, by whom it is apparent that the fish were sent + endeavour to ascertain 1 <sup>st</sup> full address to which the fish were consigned and 2 <sup>nd</sup> on whose behalf they were sent. |
