Very many residents of Geelong and the surrounding district will learn with regret of the death of Mr John Hiskens, who for the past twelve years has filled the position of head teacher of the East Geelong state school and at present held temporarily by Mr James Watson. Mr Hiskens, who had attained the age of 57 years, died yesterday afternoon at his residence, in Swanston-street, and he will be buried to-morrow afternoon in the eastern cemetery. For a number of years the deceased gentleman was head teacher of the Birregurra state school, and in that district he made himself a general favorite. In Geelong he took an active part in various matters calculated to promote the welfare of the place and people. He was of considerable literary ability, and he took a lively interest in advancing the Mechanics' Institute Literary Class and the efforts of the members of the old Yorick Club prior to its removal to the Geelong Recreation Club's premises.
