Roll No	Classn	Authority	Remarks
978		21 3 04 H. Jackson	– The school is in good working order. Methods suitable as a rule 73 Good.
		6 12 04 H. Jackson	:– Under unfavourable circumstances has managed to obtain pretty good results. 73
		16 5 05 H. "	:– Methods easy but on the whole good work is done. Management permits a good amount of work. 71 Good.
		5 12 05 H "	:– In most respects does good work but should pay greater attention to details 71 Good
		5 6 06 H "	:– The H.T's work is not improving but is deteriorating. Supervision is not effective. Details of management are not well attended to. He can give a good lesson. 67 Fair
	IV.2.51	30 6 06 Ir. Roll	
		11 12 06 H. "	– Many of the defects noticed at the last visit have disappeared. A fairly good year's work has been done. Mr Bradhurst is evidently more attentive to his duty. 70
		9 5 07 H. Jackson	– A better teacher than manager. The defects of organization can easily be remedied & probably will be as the H.T. is interested in his work. 71. Good
		4 12 07 H "	– High results could hardly be expected but there is too good reason for thinking that better work could be got from the pupils. It will be found necessary to work more closely to the programme. A healthy stimulus is needed. 66. Fair
		22 5 08 H. J.J. Bothroyd	:– Does not keep the premises in proper order; the teacher's hold on the children is weak; efficient work under the circumstances as seen today is impossible; does not appear to have a sufficient knowledge of programme requirements. 53 [illegible]
		29 7 08 H. S/22.5.08	On account of unfavourable reports on his management of his present school his case was referred to the Classifiers who decided to record him for transfer to a smaller school – one however in which a 4th class teacher may be employed.

		19 12 10 H. "	He carries on his school work vigorously and with good skill. He has excellent control of the scholars. He has good ability as a class teacher.
		7 11 H. Rowe	Is a good teacher, earnest, diligent, capable & gentlemanly, has done good work VI, V.I. & IV.I. but appears to have promoted rather freely in V & IV. State of proficiency would probably have been higher but many of the children were suffering from severe colds &c. His methods are generally good. Discipline & tone were very good. The school is a model of neatness. 82. Good. Good.
		24 10 11 H "	Is a good teacher & exercises very good control. Although he teaches on good methods himself he does not sufficiently direct & test the work of monitors employed. Some of the subjects are well taught but he needs to pay more attention to grading the work of infant classes. School building was only in fair order as compared with last visit 77
		24 4 12 H "	Is a good teacher, earnest & painstaking. [illegible] & shows improvement in supervision of work of lower grades. Adopts good methods & uses some effective aids. 		11 3 13 H "	Is a fair teacher but usually does from good to very good work, more especially with senior grades. Six pupils gained the M.Cs and 1 the Q.C. Since the beginning of this year he appears to have let [illegible] organization drift. In consequence the methods [illegible] this visit are only from fair to good. He needs to show more [illegible] to details, & to plan the work as a whole & for the junior department in particular on a more carefully graded system. Discipline & tone are very good on the whole. 69

		16	2	14	H Lowery.	A good teacher who gives his best to his work [illegible] rational use of good teaching methods. He is at present overweighted.
