Sir /

We beg leave to inform you that conformably with your directions we proceeded on board the Steamer Ship "Thomas Arbuthnot" brought to this Colony by Messrs Robert Howe & Co and which sailed from Greenock on the 17th of June & arrived at Port Philip on the 2nd of October 1841

And we hereby certify that the parties enumerated in the margin whose names, ages, & description and the amount of Bounty payable for each as inserted in the accompanying list have been examined by us —

They have all produced the certificates of character signed by us, & from a careful perusal of the same as well as from personal observation we have reason to believe they are of the habits, ages, & described therein & as the Emigrants have likewise produced the necessary certificate from the Government Resident at Greenock as required by the instructions of the Commissioners for Land & Emigration we are of Opinion that Messrs Robert Howe & Co are entitled to receive the Sum of Three thousand nine hundred and Forty two Pounds Sterling £3942.

We beg further to state that the Emigrants in question have reached the Colony in very good health & have conducted themselves properly & satisfied with the treatment they experienced during the voyage

We are
Sir
Your very obedient Servants

Sir,

We beg leave to inform you that conformably with your directions we proceeded on board the Immigrant Ship Enmore brought to this Colony by Mr James Cain & which Sailed from Cork on the 9th of June & arrived at Port Phillip on the 4th inst.

And to Certify that the particulars enumerated in the margin in which names, ages & description and the amount of Bounty payable for each are inserted in the accompanying list have been examined by us -

They have all produced the Certificates of character required by us & from a careful perusal of the same as well as from personal observation we have reason to believe they are of the trades, ages, &c described therein & as the Importer have likewise produced the requisite Certificate from the Government Agent at Cork as required by the regulations of the Commissioners for land & Immigration we are of opinion that Mr James Cain is entitled to receive the sum of One thousand eight hundred & Sixty eight Pounds, that is £1868 -*

We beg further to Certify that the Immigrants in question have reached the Colony in good health & express themselves perfectly satisfied with the treatment they experienced on board during the voyage

Melbourne October 20th 1841

Sir/

We beg to inform your Honor that according to your instructions we proceeded on board the Immigrant Ship "Intrinsic" lying in the Colony by Messrs A. B Smith & Co of Sydney which sailed from Liverpool on the 10th of June & arrived at Port Philip on the 7th of October 1841

We certify that the parties enumerated in the Margin, whose names, ages, and descriptions & the amount of Bounty payable for each, have been examined by us - & the general Certificate from the Government Agent at the Port of Liverpool has been produced — The testimonials of character of the Immigrants have also been carefully examined by us from which as well as from personal observation, we have reason to believe they are of the trades, ages, & persons described, and are therefore of opinion that the Messrs A. B Smith & Co are entitled the receive the Sum of Three Thousand five hundred and Eighty nine Pounds Stg £3589-0-0

We beg further to state that the Immigrants in question came to the Colony in excellent health & express themselves perfectly satisfied with the treatment they experienced during the voyage

We are,
Sir,
Your very Obedient Servants
