Sir

We beg leave to inform you that conformably with your directions we proceeded on board the Immigrant ship "Catherine Sanderson" lying to this colony by Messrs Robert Gore & Co of Galway, & which sailed from Leith on the 29th of May and arrived at Port Phillip on the 22nd of October 1841.

And we certify that the parties enumerated in the margin, whose names ages & description and the amount of bounty payable for each is inserted in the accompanying list have been examined by us.

They have all produced the certificates of character required by the Land Fund & we have reason to believe they are of the trades, ages & persons described, and as the Agents for the vessel have likewise produced the necessary certificate from the government Agent at Leith we are of opinion that the Messrs Robert Gore are entitled to receive the sum of Two Thousand one hundred and fifty four Pounds Sterling. 2154.

We beg also to state that the Immigrants in question have reached the colony in very good health and express themselves perfectly satisfied with the treatment they experienced on board during the voyage.

We have the honor to be

Sir

your Obedt Servants
