N: B Jeremiah Dooley & wife were not put on the ~~list~~ ground for Bounty - their inspection ticket having been mislaid but on a strict investigation it was clearly proven that they came in the Ship & that he was one of the owners & on his gratuity accordingly -
The Family was subsequently allowed for them.

Melbourne December 29th 1841

Sir,

Pursuant to directions received from your Honor we proceeded on board the ~~Ship~~ Immigrant Ship Brankinmoor brought to the Colony by Mr J. B Were & authority having date the 11th of March 1840 and which sailed from Cork on the 1st of August and arrived at Port Phillip on the 3d of December 1841.

And we Certify that the parties enumerated in the margin, whose names ages & description & the amount of Bounty payable for each as inserted in the accompanying list have been examined by us.

They have all produced the Certificates of character required by us and from a carefull perusal of the same as well as from personal Observation we have reason to believe they are of the trades, ages, &c therein described — And as the ~~ship~~ Surgeons Certificate from the Government Agent at Cork has likewise been produced & as the single females are under protection we are of Opinion that Mr J. B Were is entitled to receive the Sum of Two Thousand five hundred & Seventy Pounds £2570 Sterling

We beg further to observe that the Immigrants in question have reached the Colony in very good health & express themselves perfectly satisfied with the treatment they experienced during the voyage

We are Sir
your very obedient Servants
John Patterson
Surgeon
