Melbourne January 4th 1842.

Sir /

We beg to inform you, that in consequence of your directions we proceeded on board the Immigrant ship "Ward Chipman," brought to the colony by Mr William Williams of Bristol (in pursuance of authority bearing date the 1st day of June 1840) and which sailed from Bristol on the 21st day of March, and arrived at Port Phillip on the 16th day of December, 1841 –

And we Certify, that the females enumerated in the margin, their names, ages, and description, and the amount of Bounty payable for each, as inserted in the accompanying list, have been examined by us They have all produced the Certificates of character required by us, and from a careful perusal of the same, as well as from personal Observation, we have reason to believe they are of the trades, ages, & description, therein Specified –

We have found it necessary to disallow Bounty on six families, one boy, and one married female, who died since landing – Together with five Single males, and thirteen Single females, the particulars of which are Stated in the preceding pages, the total amount of Bounty to be disallowed, amounts to the sum of Six hundred & twelve Pounds Sterling (£612) –

The required Certificate from the Government Agent at Bristol, having likewise been produced, we are of Opinion, that Mr William Williams would be entitled to receive the sum of Four thousand five
