Sir

We beg to inform you that in consequence of your directions we proceeded on board the Ship 'Alexander' brought to the Colony with Immigrants by R G Jamison in pursuance of Authority bearing date the 9th of Nov 1840 and which sailed from Plymouth the 30th of August and arrived at Port Phillip the 27th Dec 1841 and we certify that the Parties enumerated in the Margin whose names ages and description and the amount of Bounty payable for each as inserted in the accompaning list have been examined by us.

They have also produced the certificates of Character required by us and from a careful perusal of the same as well as from personal observation we have reason to believe they are of the Trades ages & described therein We beg to observe that we have found it necessary to disallow the Bounty on three families, & single man & seven unmarried females the particulars of which are stated in the preceding paper & the total amount of Bounty so disallowed amounts to the Sum of £318 stg.

The required Certificate from the Government Agent at the Port of London having likewise been produced were of opinion that R W R. G Jamison is entitled to receive the sum of Three Thousand Nine Hundred and Seventeen Pounds

£3917 Sterling

We beg further to observe to your Honor that the Immigrants in question have reached the Colony in very good health and express themselves highly satisfied with the treatment they experienced during the Voyage

We are
Sir

Sir

Sandy 20th 1842

We beg to inform you that in consequence of your direction we proceeded on board the Ship Samuel Boddington brought to the Colony with Immigrants by D. B. Mure & Co. in pursuance of authority bearing date the 11th day of March 1840 and which sailed from Cork on the 21st Sept. 1841 and arrived at Port Philip on the 13th January 1842

And we certify that the parties enumerated in the Margin which draws ages and descriptions and the amount of Bounty payable for each as inserted in the accompanying list, have been examined by us

They have all produced the certificate of character required by us and from a careful perusal of the same as well as from personal observation we have reason to believe they are of the trades, ages & therein described

And as the necessary certificate from the Government Agent at Cork has likewise been produced, we are of Opinion that D. B. Mure is entitled to receive the Sum of Three Thousand one Hundred and seventy two Pounds Sterling £3172

We further beg to observe, that the Immigrants in question have reached the Colony in very good health, and express themselves perfectly satisfied with the treatment they experienced during the Voyage.

We are
Sir
Your very Obt. Servants
