the Honorable. No 47/149. November 8. 1847. Sir, I beg to forward for you the duplicate. Herewith I enclose herewith the copy of an application which I received from Mr. J. Ferguson at present attached to the Branch of the Survey General's Department.

Mr. Kew. The No 47/150. November 11. 1847. Sir. With respect to my letter
 of the 7th inst. No 47/149. dated 8th. I am sorry to hear that the copy of an
 application received from Mr. Graham is not in your hands. I
 would recommend to your Honor that his appointment
 as an Assistant Surveyor may be confirmed. I believe
 your Honor will do so. I have the honor to be Sir
 during the time the Assistant has been employed as an
 Assistant Surveyor in the Port Phillip District. I believe
 - your Honor will do so. I have the honor to be Sir
 December 18 46. I have found him a most active and
 efficient Officer both in the field and Office. I therefore
 beg to recommend his Appointment to your Honor's favor
 consideration.

referred upon the application of Mr. Horace Flinn. & subdivided land formerly used as a paddock for the working cattle belonging to the Survey Department. P.S. You will also take an early opportunity of marking the down boundary of Hamman's on their interest on the Shore land & set for a Hamman's ground of 4 acres, divided with a cypress post

at least at least one mile from the town & therefore
it may at any future time be increased. R.B.

Mr. Glover No. 47/153. Nov. 15. - As the Messinger (Jr.) & Son Office
discontinued Thomas Messinger's affairs to perform his duty &
beg your Honor will be pleased to continue the op-
erations of another man in his place. J. R. H.

Mr. Messinger No. 47/154. November 13. - On your return through Galesburg
after carrying Mrs. Briggs' estate, and attempt-
ing to reach the settlement in North Galesburg between
Section No. 36 and Galesburg, according to the bearing and
distance given me with a plan and description.

Mr. Messinger No. 47/155 - November 16. - I have the honor to acknowledge
a map of the District of Galesburg showing the boundary
between the two counties, and description of the
same. together with a statement (as near as I can judge)
of the boundaries not yet surveyed, and the fact that
I have it would take a surveyor to complete them and
furnish plans. J. R. H.

Mr. Messinger No. 47/156. November 16. - I have the honor to enclose the
final report of date of your settlement in the District
Philip District held at Melbourne on Wednesday the
7th October 1847. J. R. H.

Mr. J. Messinger No. 47/157. November 17. - I have the honor to acknowledge the receipt
of your letter of the 10th inst., and to acknowledge your favor-
able notice of the disinterestedness of your having a
bulletin given and two witnesses in place of those whose
part of engagement will expire on the 30th inst. in
a period not exceeding three months, and on the fourth
term you can - the contract Mr. Gray has made
his agent at Galesburg to supply yourself and property
reasons on your application. - I would continue
your field duties during the fine weather and the
harvesting can be done when you are unable to go out
the field. J. R. H.

Mr. Messinger No. 47/158 Nov. 19. - With reference to my letter dated

4th inst. No. 47/145. regarding your will the error in
computing. We also of account 59 & 64 in the book
of Messinger. I have the honor to forward for examination
the above statements and also of No. 55, 66 and 68.
and beg that these forwarded by my letter No. 47/155 of 13th
April last may be cancelled. J. R. H.

Mr. Messinger No. 47/159. November 23. - I have the honor to enclose the
final report of date by Arthur Garrison and others
and County Road held at Melbourne on the 6th
of October 1847 corrected with the survey office. J. R. H.

Mr. Messinger No. 47/160. November 24. - I have the honor to acknowledge
a plan with descriptions of the site points and line
by the Messinger children for the settlement between
the village of Galesburg and the town of Galesburg
and are for a direct road and are for
Messinger in charge. J. R. H.

Mr. Messinger No. 47/161. November 25. - I beg to state that I for-
warded yesterday by post three forms which you
will have the goodness to fill up carefully according
to the instructions in hand and return under cover
to Mr. Messinger. The settlement will be made
with no doubt be paid. J. R. H.

Mr. Messinger No. 47/162. - This appears to be a complaint against the ac-
curacy of the survey made by Mr. Messinger and a request
that the land be surveyed under the favorable protest of
another landowner according to the instructions
of this request complied with great loss of time and
expense to the Department will accrue as the further my

documents, which you have in your possession
belonging to this Department, viz
A Circumstances connected
Katonah Creek.

His Honor the 11th/14 January 1827. In accordance with your
determination. Heretofore dated 6 December 1827, I have the
honor to forward an estimate of the probable ex-
penditure of the Fort Philip branch of the In-
dian General Department for the ensuing year
1829. To gether with the several separate returns
specified under the head of contingencies and
to make the following remarks.

With regard to the increased establishment
as the general duty of the District to be performed
with an addition in the number of assistant
surveyors has been found necessary, a Graham
also having been appointed to the branch from
the Staff Pay. The Grahamian Survey will be
enabled to devote more time to the increased
duty of back and attending to the public
surveying information.

In the return of buildings, the present survey
office is in so dilapidated a state and quite in-
sufficient for the purposes intended, that I
consider it would be useless pushing it on
when I have before estimated for a new
building at £1000 which I trust your Honor
will strongly recommend.
The Garrison and Forge, show an increase
on this year consequent on the contemplated survey
to be carried on, and in the special items.
The allowance of £100 per annum for each bar.
survey party in lieu of equipment and the pro-
ceeds of the necessary surveying instruments
is counterbalanced by the small expenditure under
the head of stores.

 to make.

these instructions, and suggestions should always be given in writing. After removal of his instructions if which he is the bearer, you will appreciate some the points that more immediately call for attention, and be guided in making your suggestions accordingly. - Mr Pease will address his ordinary reports to the head of his Department at Melbourne, in the usual manner, with this exception, that they must be transmitted through you, in order to give you an opportunity of making any remarks that may be necessary.

The Day Abstract which sent in should also be counterchecked by you.

It is further desirable that occasionally a few more

circumstances may point out the expediency of such
action. You should personally verify the accounts
diverge among of points of primary importance
to the general correct tenor of the Society, and
further satisfy yourself, as to the mode in which
his work is performed by comparison of the work
on the ground with his publications, and the chart
which he may consult.

Should you have reason to suspect inconsistency
of the existence of any cause with the general character
of the work performed, or any be doubtful, throw the
upon duty to report the cause without delay, or
hesitation for my information.

It is scarcely necessary for me to explain, any further, that general denials of a similar character have to be simultaneously made in every part of the Reich, while the denials of a sufficient number of experienced managers of established reputation in connection with the management of the Reich cannot be secured, and that as it is quite impossible for the Director in charge to supervise the whole operations in the field through-out the Reich, in addition to the company on the spot of the portion of the Reich specially falling to his share the duty could not be performed in that Reich in a manner which any of the arrangements

have that which I propose.
 A similar arrangement will be adopted for the
 survey of the Spaniards and I hope dated Bimble.
