General REMARKS—

Compensation allowance. This allowance was granted to all Officers of this Department in Melbourne and on the Gold Fields whose services were dispensed with in consequence of reductions in the staff, caused by the vote of the Legislative Council, when any Officer was reappointed in the service of Government, within the 3 months over which the compensation allowance extended, he ceased to draw it entirely except where his pay in the new appointment was smaller than that given as compensation, in which case the full compensation was drawn, less the amount received as salary during the period from the Department in which he was employed.
