due for discharge about
Feb. 1904

Ref. No. 28612

When Donnelly saw me about remission
 I was inclined to endeavor to meet his wish
 for discharge early in February but as he
 has since committed himself by using vile
 language to an officer the utmost that can
 be done for him will be to anticipate his
 liberation (under the 77 rules Act) seven days
 before due. This I was anxious to con-
 sider of good conduct for remainder of
 detention.
