	Ingram	26	4	75	14517 H.	A very fair Country school teacher, rather above the average — a very good disciplinarian.
	"	1	11	75	34799 H.	Manages this school well — is about equal to the average of country teachers, as far as actual teaching ability goes, certainly beyond the average in maintaining order. At the time of my visit the T.T. was not followed — supervision very fair — programme observed — good order prevails — records correct & complete.
	Thompson	20	3	77	40799 H.	Shows a fair knowledge of teaching — is wanting in vigor & in organizing ability
	Simmons	28	5	78	18046 H.	Fair as a teacher — but apparently pays but little heed to the suggestions of previous inspectors and holds strong views regarding the department

	Loughry	1	8	79	29195 H.	appears to be doing her best — lacks the physical ability to make an energetic teacher.
				80	8420	Hon G.V. Smith represents that Mrs. Horsfall is scarcely fit to manage the elder boys — 80/11813 Inspr reports it will appear that there insufft grounds for the removal of Mrs H. — however she has applied for a transfer she will be given another appt. when a vacancy occurs.
	"	10	80	42946		Lewis. — Has been teaching for a number of years & is now getting too old for effective work. — This school is too large for her, & her health is failing. — Satisfactory work is not being done at 997 at present. — I urgently recommend Mrs Horsfall's removal to a small seaside school. — Her medical attendant considers that she requires sea air.
		18	7	81	51487 H.	Lewis. — A worn out teacher who can at most manage 20 children. Her removal from 997 to a smaller school seems desirable. The children are making little progress & the school is falling away.

Baldwin 24 9 73 27661 An able and successful teacher.

Millaud 29 3 76/14425 H. a good and efficient teacher.

" 6 9 76/37449 H. Might be so peculiarly fitted for conducting a School of this kind.

" 10 9 77/38975 H. (Right.) Particularly well fitted for the charge of a Night School & has perfect command over his Scholars - a good manager and efficient instructor.

" 21 8 77/3869 2 H. Strongly good.

Summons 15 4 78/14063 H. From several little matters that came under my observation I have not formed a favorable opinion of him - or his manner of carrying on the business of the School.

Gamble 28 11 78/14222 H. 2 Manages his school well

" 25 11 78/14223 H. Knows how to teach but devotes himself wholly to supervision. Might do more teaching.

. . 81/18492. McElroll complains that his son (E.2) receive no instruction from J.

. . 81/30383. . . 85 January Classified Roll 2. 1. P.S. Act 773

26 5 86/1801 4 H. Gamble - The state of the Closets, the extensive scribbling on the windows, the unwieldy size of the fourth class under a female teacher; the lighting of the fires after school work has actually commenced. The omission to make judicious use of the help of monitors all point to the conclusion that Mr Higgins lacks reasonable good Management in the management of a large school.

20 3 86/11607 H. Gamble - Appears to be very frequently absent; in my opinion he is not so well qualified physically for the efficient performance of his duties as many older men. -

16 3 87/ [illegible] Gamble - Recommended his [illegible]

Higgins - Mrs. Eliza Asstd.
