		3	10	92	43952 H.	" " No doubt anxious to conduct the school satisfactorily, but does not display much teaching or controlling power. I regret to have to report that he does not seem equal to the management of this school but it is only just to say that there is some improvement as compared with last year (50)

	Craig	23	9	74	27859 H.	Is I believe a laborious teacher sufficiently acquainted with the mechanical part of his business. I think he lacks judgment — he certainly lacks the knack of impressing his pupils with proper respect for him — much of his labor is wasted upon inattentive ears.
	"	19	4	77	35531 H.	Of inferior general attainments and moderate native ability — his management is without energy or tact — yet the school is not in so ineffient a state as it might to be in.
		H.S. admonished to be more careful in marking the roll.				
	"	18	9	77	37095 H.	Scarcely deserving to have so large a school — classes & pupils badly.

		31	8	83	33268 H.2.	Is steadily improving in school management. — Gamble. Copy of entry on Cert: "School has passed an unsatisfactory examination. Good credit is due to Mr. for his skill in managing & maintaining so high a standard in school work."
		12	5	84	16049 H.	Gamble. This is taking & earnest in a marked degree; has improved in art of school management.
