			12 10 09 H. "	He is diligent, conscientious but not a very strong teacher & indeed is somewhat lacking in discrimination & good teacher's tact. Discipline may pass.
			27 4 10 H. McEwan	Did not impress me favourably. He is mechanical in his methods & has not the insight in his correction of work &c. to produce the results in a modern school. His pupils do not show that interest in their work & their general attitude which is necessary. He is not imbued with the spirit of modern methods & aims. Skill weak & slavishly obj. Tone normal - neat & clean.
			24 11 10 11	Although his school is weak in original methods I have reason to think that he has done his best & is improving. He has given careful attention to details. Registers are correctly kept & represent them fairly well. The tone of the school is improved. He has good ability & endeavours all round. He just reaches the "good" standard. 78. Good.
			10 3 11 11 -	General improvement in the quality of his teaching is noted. He shows increased determination & his pupils work with more spirit & interest. At his request I have given him permission to mark his work "satisfactory" although at best this is the most he may be considered to deserve. He is a hard worker, & likely at best only to be a good average teacher. 76.
			6 11 11 H. -	The good standard of teaching, discipline, tone, neatness, and orderly progress of classes last noted, is maintained. There is no improvement to record in this school, but the work is done with thoroughness & intelligence. 80. Good.
		6.3.5	6 2 12 Ex Roll 2220	
			25 3 12 H. "	General improvement in management of school was noted. Some good work in Reading lessons was given. Children showed a fair attitude & intelligence, for the standard reached. Discipline is satisfactory & tone good. 77.
		6.3.5	28 6 12 Sr. Roll	
			29 10 12 H. Mc Ewan	Examples of all grades may be considered a fair standard. The work however does not reach a high standard in any subject. The most however that can be said is that it appears to be worked with diligence & intelligence & the tone is good. Discipline is satisfactory & the children appear to be happy in their work. On the whole the school is doing an average amount of good work. 65. (Poor)
			24 7 13 H. Lowtony	In a growing and increasing locality the school is doing much good work. The tone is good & the discipline satisfactory. The children appear happy in their work & the general work done is satisfactory. 70. (Good)
