## A black and white photograph of a piece of fabric with a dark, symmetrical, butterfly-like pattern on a light background. The pattern consists of two dark, wing-like shapes meeting at a central point, with a small dark dot at the center. The fabric appears to be a light color, possibly white or light gray, and the pattern is dark, possibly black or dark gray. The pattern is symmetrical along a vertical axis. The fabric is slightly wrinkled and has some texture visible. The background is a plain, light color.
