Mr. H. J. I. Morgan, head master of Berwick Grammar School, died suddenly at Berwick on Tuesday night. Mr. Morgan appeared to be in his usual state of health. About 8.30 p.m. he was found in his study in an unconscious state. Dr. Longmare was sent for, and did everything possible to restore him, but he died about midnight. For many years Mr. Morgan had been closely associated with educational work. For eight years he was on the staff of Melbourne Grammar School, and for several years on that of Newington College, Sydney. Little more than a year ago he became head master of Berwick Grammar School, and had done excellent work. He leaves a widow, one son and one daughter. The funeral is to take place at Berwick Cemetery to-day at 3 p.m.

The remains of the late Mr. J. H. Morgan, head master of Berwick Church of England Grammar School, were buried yesterday. Mr. Morgan taught in many State and public schools, and was well known and esteemed in Berwick and Beaconsfield districts, where he had taught for many years. The funeral left the school. The coffin was covered with the school flag, and the school prefects acted as pall-bearers. Rev. Mr. Brooksbank will continue as head master of the school until the end of the term, when a permanent appointment will be made.

MORGAN.—On the 2nd August (suddenly), at Church of England Grammar School, Berwick, Joseph Henry Ivor, dearly beloved husband of Minnie, loving father of Enid and Ivor, and brother of Mrs. J. C. Elliott, Gardiner.
Thy will be done.

Miss Christina Paterson.

Roll No.	Classification.		Authority.			Remarks.
260		5	12	04	H. Fussell	:- Has good teaching ideas but does not get enough definite solid work from the class in each lesson. Is loquacious but sympathetic with children. Is giving attention to defects and, on the whole, doing better. 75 Good.
		13	6	05	H. "	:- Shows diligence & interest but not efficiency. Lacks the power of quiet, firm control. Is kindly and over talkative. From want of consistent progress a number of children stay too long in the Inf. room. The effect of this is felt in higher classes. 68 Fair.
		11	10	05	H Transferred	:- A good listener, v. good in teaching - fair in tone & is trying to do good work, is inclined to do too much for her class — work not clinched - often too vague has not the whole class working with her - 71 Good
		196		06	H —	:- A good teacher. V. good in teaching and tone. Has improved greatly. She surpassed me very much by the lightness, brightness and vivacity of her teaching. Class roused & holds greatly and got smart work from them. 78

		.	.	07	9154	Appld 1st Asst from 22 July 1907.
		27	11	07	H. Pilkington	:- A vigorous active teacher having fine good to very good teaching power. Very good
		6	5	08	H.	:- An energetic, very active teacher showing considerable interest in her work and possessing a good knowledge of approved infant school methods. Very good
		23	4	09	H. Thomas	:- Well reported on.
		23	4	09	H Parke	:- Displays much activity & supervises closely her own divisions but not the higher Divisions. There is consequently some loss of power in the senior divisions. Uses methodical arrangements for managing & teaching children well & on the whole in accordance with recent principles. 82. Gudgeon
	II. 1. 22	30	6	09	Jr. Roll	:- Is a strenuous worker & shows good to very good teaching ability, and is also skilled in infant teaching, but she has not yet attained to management & discipline, not methodical in management. There is defects weaken her disciplinary power & prevent her from doing the best work. 78. Good.
		17	11	09	H. Parke	:- Is painstaking, careful and reliable. She takes much trouble in planning her work, though she does not take sufficient steps to test the results of her teaching. She has well understood the principles underlying the methods she employs, but does not make the application one might expect. Voice is rather weak & lacks carrying power. Good.
		12	4	10	H. —	:- A painstaking & conscientious teacher. Has a fairly good knowledge of principles underlying infant school methods, but is not always successful in applying them. Her class is fairly well managed & shows good progress in most subjects. Needs more decision & firmness in dealing with children. Fair to good.
		27	10	10	H. —	:- Has a pleasing manner with children & is painstaking & conscientious in her work. Has a good knowledge of principles underlying infant school methods, but is not always successful in applying them. Her class is fairly well managed & shows good progress in most subjects. Needs more decision & firmness in dealing with children. Fair to good.

DONALDSON.—Killed in action in France on the 13th March, Henry Archie (Archie), dearly loved second son of Mrs. Donaldson and the late Henry Donaldson, of Heyfield, Gippsland, aged 29.

Lance-Corporal Henry A. Donaldson.

"Killed in action in France on the 13th March, Henry Archie, dearly-loved second son of Mrs. Donaldson and the late Henry Donaldson, of Heyfield, Gippsland, aged 29 years." He was born at Toombon, near Walhalla, on the 6th of September, 1886. All his schooldays were spent at Heyfield, where he is remembered as a good footballer and cricketer. He was a temporary head teacher from 1908 to 1913, having charge of schools at Ensay and Little River, Talbotville and Crooked River; then permanent charge at Nelson East and Mouzie. He was a conscientious worker and very good teacher, earning commendation for his efforts to promote the all round development of his pupils. He enlisted in January, 1916, and left these shores on the 1st of April. After some training in Egypt, he went to France, was wounded in both arms with shrapnel and sent to an English hospital, where he had the company of 700 other damaged Australians. He returned to France at the beginning of last December. Five cousins are on active service, also an uncle and a brother, Sapper Ralph Donaldson, D.C.M., decorated for [illegible]
