Dear Sir

Referring to your letter of the 24th/4/94 stating that a sum of £20 was mentioned for the work of fencing the New Cemetery here I have the honor to inform you that a grant was let by the Board on the 1st of June for fencing in the ground granted for such purpose - I am therefore that the fencing should be done by the 30th of June to the value of £25 in order that the Board might comply with the condition of grant. Owing to very bad weather towards the end of the said month it was impossible to proceed with the work & therefore it is impossible to certify that fencing to the amount of the grant has been done - I beg to state that the amount paid is £78.10.0 & that it is impossible for the Board to pay the amount unless ordered by the Grant. I have therefore to request that the condition of release for being done by the 30th of June may be waived in this instance & the amount paid without the Board having to order for a rebate - I enclose further and that the sum of £78.10.0 will not cover the whole of the work required to be done - that it will be necessary to make application for a further grant next year or will as to raise money by Special Effort locally - Trusting that you may see your way to comply with foregoing request & inform me to that effect of your early convenience - I have the honor to be, Sir, your obedient servant

Sir:

I have the honor to acknowledge receipt of your communication of the 3rd instant & regret to learn that it has been found impracticable to allocate a sum of money to this Trust for the present year. The same shall be laid before the Trustees in due season, in the meantime and for the information of the Trust would you be good enough to inform me if it is possible to obtain young trees from the Government nursery free of cost for planting around the area recently granted for cemetery purposes. I may state that after the site referred to is in the hands of a landowner to be opened for burial purposes at present, yet if a supply of trees could be secured they could be planted within the same, at the proper season, which will shortly be upon us.

I have the honor
