I have the honor to acknowledge the receipt of your letter of the 10th inst. in relation to the proposed extension of the charter of the New York and Hudson River Railroad Company. The Board of Directors of the Company have considered the same, and have decided to extend the charter for a period of ten years, from the 1st of January, 1850, to the 1st of January, 1860. The same has been approved by the stockholders of the Company, and the necessary steps have been taken to amend the charter accordingly. The amended charter has been filed for record in the Office of the Secretary of the State, and will be in force from the 1st of January, 1850.

Waltham Park Cemetery

Statement

During the year ending Dec 31/95 the Cemetery has been kept in fair order, and the fence repaired. Some clearing has been done at the Site of the New Cemetery - the Gate and Pocket Fence & have also been painted. An application was made for a sum of £100 from the Government Treasury, which was passed and placed at the disposal of the Trustees.

Suggestions

Repair fencing at the present Cemetery and improve some of the paths into new grounds. Gravel and clear stones out of the ground at the New Site, as before will allow. Should there be any amount available in a Grant for Gravel and clearing, the Trustees would be glad if a sum of £50 could be set apart during the current year for the same purpose for this Trust, and hereby apply for the same.

Sir,

C 3421
98/1354

Referring to your letter of the 28th Feb, No 100 in margin
I beg to state that what is desired in a Certified Plan of
Cemetery Site Requested 27.4.94 page 1469 -
Subsequent to the proclamation of Site referred to, a letter was
received from the Land Officer, Sale, date 27.11.95 stating
that the Land Department cannot furnish a Certified plan
it not having been surveyed by the Officer of the Dept
and requesting a fee of £3.14.0 to be paid. -
Reply to Land Officer Sale Dec 9/95 that Mr J. A
had already been paid to C. E. Abbott & Co Ltd. for survey work & requesting that, as Mr C. E. Abbott was
duly Certified Surveyor the plan as referred to might
be furnished in accordance with the following -
first in the Govt Gazette - Reply, Dec 2 - Stating that
the matter had been referred to the Surveyor General.
Feb 20/96 Received letter from the Surveyor General at the
requesting to be furnished with plan by Mr C. E. Abbott
Accompanied by his field notes. - Mr C. E. Abbott's survey
was again desired for the purpose, & a plan with
field notes sent to the Surveyor General 7/3/96.
Not having heard anything further from the latter date
I wrote on the 11th of March last - re title &c -
requesting that the Certified Plan (to give
which so much trouble has been taken)
might be furnished. - In my own part I feel
quite satisfied with the Surveyor's declaration of the
Site & should not have troubled further had it not
been for the action taken by the Land Officer at Sale.
If however a Certified plan is necessary to you -
please the title, I beg to submit that we are now
entitled to the same. I might add that the Appli-
cation for the said purpose was made on form back
