written to suggest that you should  
forward your resignation as a trustee of  
the trust of a private meeting to  
them, the date of the resignation should be  
the date of your death.

Yours faithfully

Sir

The particulars of the 11<sup>th</sup> instant Mr. Alfred  
Morgan have been to state that the Trustees  
of the Public Cemetery have no objection  
to, neither know of any reason why in the interest  
of Public Health, or on any other ground, the request  
of Mr. A. E. Parker should not be complied with  
viz. to remove the bodies of his late father &  
mother from the Melbourne Cemetery. I am not aware  
of the cause of death of the persons whose bodies are  
desired to be removed - and would refer you to  
Mr. A. E. Parker for that information - If removal  
for removal be given I shall be glad to be in-  
formed of the time when such removal is to  
take place, in order to ensure that the work  
is carried out in a satisfactory manner  
at this time.

I have the honor to state, in reply, to your letter of the 26<sup>th</sup> ult. that more ground having been taken in at the Cemetery, that formerly only a limited area of the Reserve had been passed - In the year 1899 a survey was made by the local surveyor & a contract let for staking in an extended area of the ground but still within the full extent of the Reserve - During the period named I was not the Secretary, having previously left the district, but in all probability some reference would be made to the Extension & Improvements thereof, in the Annual <sup>Report</sup>. The plan for Survey & Staking would also appear in the Statement & abstract. I cannot find from Letter Book that any permission was sought prior to carrying out the work.
