Sir

I do myself the honor to
acknowledge the receipt of Your Honor's
Letter of the 6th Instant, No. 43/13,
inclosing one addressed to the Governor
by His Honor the Resident Judge, request-
ing that he may again be allowed
the services of a private clerk.

In reply, I am directed by
His Excellency to inform you that there
is no objection to Mr. Willis' having a
clerk - whom he will of course
himself appoint

I have the honor to be

Sir

Sir

It appears by a letter addressed by the Hon^{ble} the Colonial Secretary to the Dep^t Registrar of Jth Just^{ice} "that your Excellency is not aware that it is regular for the Clerks in the Registrar's Office to be employed in copying correspondence for the Resident Judge."

Your Excellency may remember, that it was only on condition that this should be the case, that I consented to give up a Clerk at £150 per annum, to whose services, equally with the other Judges of the Supreme Court of New South Wales, I was entitled; If therefore I am not to employ the Clerks in the Deputy Registrar's office with my official correspondence, I must request that I may be allowed the services of a Private Clerk.

REFERENCE to the AUTHORITIES for all NEW APPOINTMENTS inserted for the first time in the within Abstract.

Date of Appointment.	Name.	Situation.	Nature and Date of the Authority.

DIRECTIONS TO BE OBSERVED IN FILLING UP THIS ABSTRACT.

The above columns of reference are to be carefully filled up, stating in the last of them the nature of the Authority, whether conveyed by a letter from the Colonial Secretary, a Government notification in the *Gazette*, or otherwise.

In stating periods, the first and last day mentioned are invariably to be considered as both inclusive.

When a payment is made to a person not able to write, the mark of such person is to be vouched by a witness.

If a Salary is regulated by a Daily Rate, the Daily Rate only ; if by an Annual Rate, the Annual Rate only, is to be inserted in the proper column.

In the case of Daily Salaries, the exact number of days for which each is chargeable is always to be specified, and not merely indicated by dots, to be the same as in the preceding line.

One-twelfth of an Annual Salary is to be considered the proportion chargeable for each of the successive months of the year, of whatever number of days the month may consist.

The proportion of a Salary for a broken period is to be computed by multiplying the amount of the Monthly or Quarterly Salary, accordingly as the same is payable, Monthly or Quarterly, by the number of days in the broken period, and dividing by the number of days in the Month or Quarter.

Spaces of lines which do not require to be filled up, should be filled up by drawing a line to guide the eye, and not by dots.

Erasure or any interlineations in any essential part of the Abstract is to be admitted.

The Abstract, and all Authorities in support of it, are to be furnished in duplicate.

* If the Salary of the party is not less than £100 per annum, this column is to be filled up by a line drawn across; if under that rate, the condition to be correctly inserted.

DIRECTIONS TO BE OBSERVED IN FILLING UP THIS ABSTRACT.

The above columns of reference are to be carefully filled up, stating in the last of them the nature of the Authority, whether conveyed by a letter from the Colonial Secretary, a Government notification in the *Gazette*, or otherwise.

In stating periods, the first and last day mentioned are invariably to be considered as both inclusive.

When a payment is made to a person not able to write, the mark of such person is to be vouched by a witness.

If a Salary is regulated by a Daily Rate, the Daily Rate only; if by an Annual Rate, the Annual Rate only, is to be inserted in the proper column.

In the case of Daily Salaries, the exact number of days for which each is chargeable is always to be specified, and not merely indicated by dots, to be the same as in the preceding line.

One-twelfth of an Annual Salary is to be considered the proportion chargeable for each of the successive months of the year, of whatever number of days the month may consist.

The proportion of a Salary for a broken period is to be computed by multiplying the amount of the Monthly or Quarterly Salary, accordingly as the same is payable, Monthly or Quarterly, by the number of days in the broken period, and dividing by the number of days in the Month or Quarter.

Spaces of lines which do not require to be filled up, should be filled up by drawing a line to guide the eye, and not by dots.

Least of the Abstract is to be admitted.
