		18	3	04	H	Rothwell J.W. :- Unequal to the management of this school. His non progressive and shows lack of interest. Lessons not prepared, and instruction indefinite and hazy. A perpendicular stair runs through all his work. He in several respects failed to discharge his duties. 66 Not Satisfactory.
		7	11	04	H.	" :- Has shown increased diligence & has given closer attention to his work, but his efforts have not met with satisfactory success. His classes are the weakest in the school. The drawing has been badly taught. The instruction in history, science & geography & in the 5th Class in spelling, compos:- Grammar & Arith. has not been effective, His management does not show an effective grasp of his duties. There is no unity of aim apparent. The good results obtained in other than his own classes are due solely to the individual efforts of the class teachers. Deafness militates against his usefulness as a class teacher. 60 Not Satisfactory
