24 7 13 A. Hare. He is a very good teacher & school manager. I was very much impressed with his work. He has had charge lately a short time, but he has got a good grip of the work & all classes though he has not had charge long enough to impress his own ideas fully on the school. His classes are good, bright & well managed. His teaching is simple & thoughtful and he manages his class well. 1908

25 6 14 H. Burgess impressed me very favorably. He takes his work seriously and puts his best efforts into it. He is orderly & methodical & practically and his school is conducted in an orderly & methodical manner. There is room for improvement in the teaching method in the school. He is a very good N.T. 1908
