SUBSEQUENT HISTORY

This image shows a single, blank page from a lined notebook. The paper has a slightly off-white or cream color. It features several horizontal blue ruling lines spaced evenly down the page. A prominent red line runs horizontally across the top of the page, likely serving as a header margin. The left edge of the page shows the binding of the notebook, and there are some faint smudges and shadows across the surface, suggesting it's a photograph of a physical object.
