The deceased has lodged in this
Hotel for the last seven months
his name was Montague Harvie
his age was forty five years
he was a Newspaper Reporter -
he has left a wife who is at
present in England - The deceased
has been in the habit of drinking at
all times occasionally having a
swim bath - he commenced to
drink in last Saturday - he never
drank here - but he came home very
late on Saturday and Friday last
he was up all night on Sunday he
was playing music but he was
not sober - He was sitting in his
bed in a giddy manner between
nine and ten of work - I spoke to him

He did not seem to me to be
nearly I said to him you are
it I will send for your doctor
he said all right I sent for
Dr. Kearney who usually attended
him but he declined to come
and advised that some one else
should be sent for I sent
for Dr. Gault - but the deceased
died before he arrived

I got him in the mean time
saw him was 70 years which he
told the deceased seemed
to be a fine old man
which I had seen him with
before - Ah about a quarter
past one o'clock I was
sent for told that he

I know the Heeneva Heenev
at Swanton Vermont
one of which in getting up I came to
see him to return a book
he had lent me I met Mrs
Heenev in the Heenev who told
me that the Heenev was not
well - I went up then to his
bed room - I found the Heenev
sitting upon the bed his feet
resting upon the floor - he was naked
up to his chest. I walked up
the room and put the book
down when I turned round I saw
the Heenev upon his back his
mouth was open - his eyes fixed
and staring I rang the bell
but the Heenev did not move.
If he was not dead when I came
into the room - when I knocked

I have made a post mortem
 examination of the body of the
 deceased *Harvie* - & finally
 there are no marks of violence
 externally. I found the Membranes
 of the Brain much congested
 The Arachnoid was distended
 with serum - The Brain was
 also congested - its Ventricles
 and the Base contained a large
 quantity of serum

I found the Lungs were healthy
 healthy - I found that the
 Stomach contained some food
 it was healthy there were no
 indications of Poison
 The Intestines and Omentum were
 healthy I found the Liver
 pale & greasy was in a state
 of fatty degeneration

Russell Street Station

25th October 1875

Com table Henry. Reports that a
man named Montague Harvey
died rather suddenly at Horley
Baths Hotel. Bore the Street
Car. about 1.30 pm this day.
His body now lies at the Hotel
on a table in a room.

The cause is said to be
a rupture of the "Hernia"
and has been stopping at the
hotel for several months, and
has been lately drinking hard.
He collapsed this morning
of his wounds, and a Doctor
was sent, but none attended
about 1 pm he was sitting on
his bed speaking to a friend
to be he fell back and
died.
